22ND INTERNATIONAL CONFERENCE

on Experimental Mechanics

06-09 JULY 2027

📍 PALERMO (ITALY)

On behalf of the whole Organizing Committee and the International Scientific Committee, we are pleased to invite you to the **22nd International Conference on Experimental Mechanics (ICEM 2027)** to be held in **Palermo (Italy) in July 2027**.

The Conference is one of a series of biennial conferences from the **European Society of Experimental Mechanics (EURASEM)**, with the aim to provide a forum where engineers, researchers, and scientists from around the world will discuss the latest advancements and breakthroughs in the **field of experimental mechanics**, including but not limited to manufacturing, dynamic behavior of materials, nondestructive testing, materials fatigue, residual stress and multifunctional materials.

ICEM 2027 will be hosted by the Department of Engineering at the **University of Palermo**. If you are **interested in sponsoring the event or having an exhibition booth**, please contact the Conference Secretariat at ICEM22@collage-spa.it to explore the many opportunities we are pleased to offer.

Looking forward to meeting you in Palermo in July 2027

The conference chairs:

Dr. Giuseppe Pitarresi (University of Palermo, Italy)

Dr. Piervincenzo Rizzo (University of Pittsburgh, United States)
